Songs of Praise - November

Courage brother do not stumble
Though thy path be dark as night
There’s a star to guide the humble
Trust in God and do the right

Let the road be rough and dreary
And its end far out of sight
Foot it bravely strong or weary
Trust in God and do the right

Perish policy and cunning
Perish all that fears the light
Whether losing whether winning
Trust in God and do the right

Some will hate thee
Some will love thee
Some will flatter some will slight
Cease from man, and look above thee

Simple rule and safest guiding
Inward peace and inward might
Star upon our path abiding
Trust in God and do the right

Tests and Tribulations...

Perilous path and weary road
And its end far out of sight
Foot it bravely strong or weary
Trust in God and do the right

Some will hate thee
Some will love thee
Some will flatter some will slight
Cease from man, and look above thee

Simple rule and safest guiding
Inward peace and inward might
Star upon our path abiding
Trust in God and do the right
